Philosophy (PHI) Courses

PHI 5113. Ancient Philosophy. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. In-depth investigation of central figures and/or topics in ancient philosophy. Study may focus on a few major philosophical figures in the ancient world from the time of the pre-Socratics through to the Hellenistic and Neo-Platonic schools. Topics may include the nature of reality, theories of truth, ethical theories, psychological issues, political theory, or issues in logic and theories of meaning.

PHI 5123. Modern Philosophy. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Advanced study of major figures in modern philosophy such as Descartes, Locke, Berkeley, Hume, Spinoza, Leibniz, and Kant. Discussion may focus on the seminal work of one of more major thinkers such as the Meditations, Critique of Pure Reason, Ethics, or Theodicy.

PHI 5133. Nineteenth Century Philosophy. (3-0) 3 Credit Hours.
High-level examination of some of the major figures and topics in nineteenth-century philosophy and its intellectual background, including (but not limited to) these figures: Kant, Maimon, Bentham, Fichte, Schelling, Schopenhauer, Hegel, Kierkegaard, Marx, Mill, Nietzsche, Peirce, James, Dewey, Emerson, Thoreau; and these topics: philosophical aspects of German romanticism, idealism, utilitarianism, materialism, pragmatism, transcendentalism. May be repeated for credit when topics vary.

PHI 5203. Ethical Theory. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Advanced study of ethical theories and the nature and scope of ethical requirements, value, virtue, duty and moral responsibility. Advanced study may emphasize specific approaches to ethics such as consequentialist, deontological, virtue theoretic, and contractarian or specific metaethical issues such as ethics and rationality. Readings will include selected classical and contemporary texts.

PHI 5213. Advanced Logic. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Rigorous definitions of syntax and semantics. Proofs of soundness and completeness of sentential and predicate logics; other topics in metatheory. May include extensions of and alternatives to classical logic and the philosophical significance of logic and metalogical results. May be repeated for credit when the topics vary.

PHI 5223. Epistemology. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Advanced study in the theory of knowledge. The course will focus on the core questions of epistemology: What is knowledge? What, if anything, do we know? How do we know it? Discussion may focus on one or more major epistemological topics such as the nature of perception, belief, justification and truth; naturalized epistemology, theories of truth, internalist and externalist theories of justification; the sources of knowledge; skepticism; the epistemic role of social context in relativism, social construction, and feminist epistemology.

PHI 5233. Philosophy of Religion. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Advanced investigation of some of the traditional religious topics in Western philosophy such as the existence of God, the relationship between mind and body, determinism versus free will, universals and particulars, personal identity, persistence, material composition, and the nature of time and space.

PHI 5243. Metaphysics. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Advanced study of some of the traditional metaphysical problems in Western philosophy such as the existence of God, the relationship between mind and body, determinism versus free will, universal and particulars, personal identity, persistence, material composition, and the nature of time and space.
PHI 6143. Contemporary Analytic Philosophy. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Advanced study of the major trends in the development of the Anglo-American philosophical tradition since its inception at the end of the nineteenth century up to the present day. There is a vast number of major issues and movements including logical positivism, ordinary language philosophy, epistemic modality, metaphysical necessity, the nature of possible worlds, essentialism, the nature of moral judgments and properties, modal knowledge, the nature of reference and language and so on. Major thinkers in twentieth century analytic tradition include, among others, Frege, Russell, Moore, Carnap, Quine, Kripke, and Lewis.

PHI 6153. Contemporary Continental Philosophy. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. In depth examination of the character and consequences of several recent movements in European philosophy, including phenomenology, existentialism, hermeneutics, structuralism, postmodernism, deconstruction, and critical theory. Discussion may focus on one or more major figures including Heidegger, Gadamer, Habermas, Derrida, and Foucault.

PHI 6943. Internship. (0-0) 3 Credit Hours.
Prerequisites: Graduate standing and permission in writing of the instructor and Graduate Advisor of Record. Supervised experience, relevant to the student's program of study, within selected organizations. Must be taken on a credit/no-credit basis. May be repeated for credit, but not more than 3 hours will apply to the Master's degree.

PHI 6953. Independent Study. (0-0) 3 Credit Hours.
Prerequisites: Graduate standing and permission in writing (form available) of the instructor and the student's Graduate Advisor of Record. Independent reading, research, discussion, and/or writing under the direction of a faculty member. For students needing specialized work not usually available as part of the regular course offerings. May be repeated for credit, but not more than 6 hours, regardless of discipline, will apply to the Master's degree.

PHI 6973. Special Studies in Philosophy. (3-0) 3 Credit Hours.
Prerequisites: Graduate standing and consent of the graduate advisor. Organized course offering the opportunity for advanced study not normally or not often available as part of the regular graduate course offerings. Special Studies may be repeated for credit when topics vary.

PHI 6983. Master's Thesis. (0-0) 3 Credit Hours.
Prerequisites: Permission of the Graduate Advisor of Record and thesis director. Thesis research and preparation. May be repeated for credit, but not more than 6 hours will apply to the Master's degree. Credit will be awarded upon completion of the thesis. Enrollment is required each term in which the thesis is in progress.
