Master of Arts Degree in Teaching English as a Second Language with Teacher Certification in EC–6 Core Subjects and ESL Supplemental, 4-8 Core Subjects and ESL Supplemental, or 7–12 ESL Supplemental

The M.A. in TESL with Teacher Certification (TESL-C) program is designed to allow students to simultaneously complete their Master’s degree and earn their Texas Teaching Certification in:

- EC–6 Core Subjects and ESL Supplemental, or
- 4–8 Core Subjects and ESL Supplemental, or
- 7–12 ESL Supplemental

English language learners (ELLs) are among the fastest-growing group in U.S. schools, and ELLs in Texas are becoming increasingly diverse, coming from a wide variety of cultural and linguistic backgrounds. Schools need teachers who are trained to work with ELLs, and who understand how the process of acquiring English as second language can be fostered, while at the same time helping students succeed across content areas. Additionally, many districts need ESL specialists, and often ESL teachers work in conjunction with dual language programs, newcomer centers for refugee and immigrant children, and with students who have transitioned from bilingual programs.

A distinctive emphasis of the program is its holistic view of English language acquisition as a component of a student’s bi-/multilingual development. Dynamic and hands-on courses explore how human learn additional languages, and strategies, techniques and best practices for teaching ESL students that values their linguistic and cultural diversity.

Degree Requirements

The TESL-C program consists of 36 semester credit hours (12 graduate courses), plus some additional learning modules and practice teaching (see the TESL-C Degree Information Sheet (http://education.utsa.edu/DEGREES/article/Master_of_Arts_in_Teaching_English_as_a_Second_Language_-_EC-6_ESL_Generali) on the COEHD website).

E. Free Electives 9

Students will select additional graduate-level courses within the University in order to complete a coherent emphasis area. Selection must be made with the approval of their academic advisor and the Doctoral Program Coordinator (Graduate Advisor of Record). Selection of this coursework will be driven by two primary factors: the discipline in which a student has completed the Master’s degree and the research goals for that student.

F. Doctoral Research
BBL 7303 Directed Doctoral Research (3 hours minimum) 3
BBL 7313 Doctoral Dissertation (12 hours minimum) 12
Total Credit Hours 60

The entire program of study must be approved by the student’s dissertation advisor, Dissertation Committee, and the Doctoral Studies Committee and must be submitted to the Dean of the Graduate School through the Dean of the College for final approval.

Qualifying Examination

Students, in consultation with their Academic Advisor, will submit the names of three faculty members representing the areas of culture, literacy, and language to the Doctoral Studies Committee for approval. The approved Qualifying Examination Committee will design, administer, and evaluate a two-part (written and oral) examination. The written portion of the examination covers the areas completed in all foundation, core, and designated elective courses and cannot be taken until after the completion of 36 semester credit hours. In order to pass this examination, the student must demonstrate a broad knowledge of culture, literacy, and language. The oral portion of the examination takes place within two weeks of the written portion and focuses on clarifying the student’s ideas from the written portion. The purpose of the examination is to ensure that the student has a sufficient grasp of the theoretical and methodological fundamentals to conduct independent research in the chosen dissertation area. No more than two attempts to pass qualifying examinations are allowed.

Dissertation Committee

Upon successful completion of the Qualifying Examination, the student is eligible to defend his/her dissertation proposal. In preparation for the dissertation research, the student will identify a Dissertation Chair. The research topic will be determined by the student in consultation with their supervising professor. A Dissertation Committee of four members—selected by the student and their Dissertation Chair—must be approved by the Doctoral Studies Committee and Graduate School prior to the proposal hearing/defense.

Dissertation Proposal

The approved Dissertation Committee will guide and critique the student’s dissertation proposal. The student should give a complete draft of the dissertation proposal to the Supervising Professor (Dissertation Chair) one month before the proposal hearing/defense and to the other committee members at least three weeks in advance. The proposal hearing/defense must be advertised to the University community two weeks prior to the set date. Upon successful defense of the proposal, and before conducting the study, the student must secure UTSA Institutional Review Board (IRB) approval for any dissertation research that involves human subjects.

Advancement to Candidacy

Advancement to candidacy will require a student to complete all University and program requirements:

- Have an approved program of study
- Pass written and oral qualifying examinations
- Select a supervising professor and Dissertation Committee
- Successfully defend a dissertation proposal before the Dissertation Committee
- Secure approval of appropriate human subjects research forms.

Dissertation and Final Oral Examination

Candidates must demonstrate their ability to conduct independent research by completing and defending an original dissertation. The Doctoral dissertation must make a substantial contribution to a field within culture, literacy, and language. The final draft of the dissertation should be given to all committee members one month before the oral defense date. The Dissertation Committee must unanimously approve the completed dissertation. The dissertation shall be defended publicly before the student's committee and interested members of the University community. Therefore, the dissertation defense must be advertised to the University community two weeks prior to the set date. Following an open presentation of the dissertation findings, a final oral examination covering the dissertation and the general field of the dissertation will be administered and evaluated by the student’s Dissertation Committee.

The program is available to students who have been admitted as special graduate students and seek the certificate independent of a degree, as well as graduate students pursuing an M.A. degree in Bicultural-Bilingual Studies with a concentration in Bicultural-Bilingual Education.

Certificate Program Requirements

The Bilingual Reading Specialist Certificate requires successful completion of the following five graduate courses:

- **BBL 5053** Assessment in Bilingual and ESL Programs 3

Linkages with other UTSA programs. Students who complete the Bilingual Reading Specialist certificate program may choose to complete an additional 12 graduate hours in Curriculum and Instruction to meet the state certification requirements for the Reading Specialist certification and subsequent Master Reading Teacher certification. This option would be in consultation with the literacy education faculty in the Department of Interdisciplinary Learning and Teaching.

Graduate Certificate in Teaching English as a Second Language

The Graduate Certificate in Teaching English as a Second Language (CertTESL) is a gateway to the English language teaching profession. It provides students with the specialized training needed to begin a career in English language teaching in the U.S. or abroad, explore a career change, add specialized training to current professional skills, or teach English in retirement. No prior training in language teaching or linguistics is required.

Practical, hands-on courses offer a general foundation in methods, techniques, and strategies for teaching English language learners of all ages. The program places a special emphasis on teaching English in multilingual settings, preparing students to offer socially responsible and linguistically appropriate lessons to help English language learners develop strong intercultural communication skills.

Note: This is a non-degree-seeking program. Admission to the certificate program does not imply admission to any degree program. The certificate in TESL is not equivalent to K–12 teacher certification in ESL or bilingual education in Texas, although some courses may overlap.

Certificate Program Requirements

The CertTESL consists of 15 semester credit hours (five graduate courses). All students take ESL 5013 Foundations of Second Language Acquisition, ESL 5043 Listening and Speaking in Second Language Programs, and ESL 6943 Instructional Internship in English as a Second Language Teaching.
