Master of Science Degree in Clinical Mental Health Counseling

The Department of Counseling offers the 60 credit hour Master of Science (M.S.) degree in Clinical Mental Health Counseling. This clinical program emphasizes creativity, diversity, developmental and relational processes, ethics, and professional identity within Clinical Mental Health Counseling. Students may earn credit toward a state license and/or certification to practice in clinical settings (i.e., Licensed Professional Counselor, etc.). The Clinical Mental Health Counseling Program is seeking accreditation by the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

Program Admission Requirements

1. Application for admission is conducted through the Graduate School. Applicants must hold a 3.0 grade point average during the last 60 hours of their undergraduate studies to be eligible for admission to the counseling program. Due to competitive nature and limited space, applicants admitted into the program often exceed minimum requirements.
2. International students must have a minimum score of 100 on the TOEFL Internet-based test, 600 on the TOEFL paper-based test, or 7 on the IELTS.
3. Applicants without adequate coursework preparation in Education, Psychology, Sociology or a related field may be required to take COU 3103 Helping Skills and, at the discretion of the admissions committee, to complete up to 15 additional hours of preparatory courses as a condition of admission. Contact the Graduate Advisor of Record for the Department of Counseling for more information.
4. Three Applicant Rating forms are required.
5. A two-page narrative statement is required.

Current requirements, forms, and instructions are available on the Graduate School website (http://graduateschool.utsa.edu). Interested persons should contact the Student Development Specialist for the Counseling program or check the website for more information.

Degree Requirements

Candidates for the Master of Science degree in Clinical Mental Health Counseling must earn a minimum of 60 semester credit hours. Students must develop, complete and pass a comprehensive portfolio requirement at the conclusion of their formal coursework.

Standards and Procedures

As part of meeting the program objectives set forth in the Department of Counseling Program Student Handbooks and UTSA Graduate Catalog, students are expected to conduct themselves in an ethical, responsible, and professional manner. This conduct is evaluated through the Fitness to Practice (FTP) policy as an element of students’ academic performance. The purpose of the FTP review process is to regularly monitor students’ professional and personal development (CACREP, 2009) to ensure that students demonstrate appropriate progress toward developing the necessary behaviors, attitudes, and professional competencies to practice as a counselor-in-training. Refer to the Department of Counseling’s Web site for the Fitness to Practice policy.

Only two courses with the grade of “C” will be accepted toward this degree. Students must earn a grade of “B” or better in Development of Counseling Skills (COU 5393), and practicum and internship courses (COU 5683, COU 5713, COU 5723 and COU 6793). Students who earn a grade of “C” or lower in a clinical course must retake that course and earn a grade of “B” or better before progressing in the clinical course sequence.

A minimum of a 3.0 grade point average will be required for graduation. Students who obtain more than two grades of “C” will be placed on academic probation and may be required to complete appropriate remedial work.

Students on academic probation or not in good academic standing cannot enroll in practicum or internship and are ineligible to participate in the comprehensive portfolio.

A minimum of a 3.0 grade point average will be required for graduation. Students who obtain more than two grades of “C” will be placed on academic probation and may be required to complete appropriate remedial work.
Master of Education Degree in School Counseling

The Department of Counseling offers the Master of Education (M.Ed.) degree in School Counseling. The M.Ed. in School Counseling program is accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP, 2009). The M.Ed. in School Counseling program prepares students with professional competencies necessary to organize, implement, and evaluate a comprehensive school counseling program in a K–12 school setting.

Program Admission Requirements

1. Application for admission is conducted through the Graduate School. Applicants must hold a 2.7 grade point average during the last 60 hours of their undergraduate studies to be eligible for admission to the counseling program. Applicants admitted into the program often exceed minimum requirements.
2. International students must have a minimum score of 100 on TOEFL Internet-based test, 600 on TOEFL paper-based test, or 7 on the IELTS.

School Counseling Certification Program

Students interested in seeking employment as a professional school counselor in a Texas public school must apply to the UTSA School Counseling Certification Program (SCCP). For information on the SCCP application process, visit the Department of Counseling website (http://education.utsa.edu/counseling/m.a._in_school_counseling) or contact the Department of Counseling Student Development Specialist’s office for the required process, timeline and forms.

Additionally, students wishing to be employed as Texas professional school counselors must successfully meet all other State certification requirements.

Doctor of Philosophy Degree in Counselor Education and Supervision

The Ph.D. in Counselor Education and Supervision is a 67 semester credit hour program intended to prepare professionals for future careers in academic, clinical, research, supervisory, and consultation settings. This degree program is nationally accredited through the Council
Program Admission Requirements

Admission to the program is limited and competitive. Meeting the minimum admission requirements does not guarantee acceptance into the program. Competitive applicants often exceed minimum requirements.

1. A master’s degree in counseling or in a related mental health field requiring a minimum of 48 semester credit hours equivalent to the master’s degree requirements of the UTSA Counseling program and/or Council for Accreditation of Counseling and Related Educational Programs (CACREP). Preference will be given to graduates of CACREP accredited master’s programs. Students with fewer than 48 semester credit hours may be considered for admission to the program with conditional status, pending completion of the deficient hours and satisfactory completion of courses fulfilling CACREP core course requirements.

2. A minimum grade point average of 3.0 in master’s level courses in counseling or in a related mental health field.

3. A portfolio consisting of the following items, which will be evaluated by the Doctoral Program Committee:
   a. A 48-hour (or greater) master’s degree transcript documenting a grade point average of 3.0 or better in counseling or an approved related mental health field;
   b. International students must have a minimum score of 100 on the TOEFL Internet-based test, 600 on the TOEFL paper-based test, or 7 on the IELTS;
   c. Three letters of recommendation attesting to the student’s academic and personal attributes for success in the program and potential for contributing substantially to a field of study related to the degree;
   d. A written personal statement/essay describing research interests and purpose for pursuing the Ph.D. in Counselor Education and Supervision;
   e. Graduate Record Examination (GRE) test scores not older than five years;
   f. Documented experience in a work environment (formal positions or internships) where counseling was the primary professional emphasis (may include but not limited to one-on-one counseling, counseling for couples, psychological assessment and testing, group or community counseling);
   g. Professional résumé listing prior experiences in the field of counseling.

4. Successful completion of a finalist interview and rank order selection by the departmental faculty.

The program offers two application deadlines. To meet the Fall application priority deadline, applicants must submit all required materials by November 1. To meet the Spring application deadline, applicants must submit all required materials by February 1.

Degree Requirements

Students pursuing the Ph.D. in Counselor Education and Supervision will be required to pass a qualifying examination prior to admission to candidacy. All candidates will be required to submit a scholarly contribution in the form of a dissertation as partial fulfillment of requirements for this Doctorate (see Dissertation handbook). All students will be evaluated by the fitness to practice policy of the department (see Doctoral handbook).

Students must earn a grade of “B” or better in all courses. Students who earn a grade of “C” or lower in a course must retake that course and earn a grade of “B” or better.

Students must earn a grade of “B” or better in clinical courses (COU 7313 Practicum in Counseling, COU 7383 Advanced Practicum in Multicultural Counseling, COU 7413 Internship I and COU 7513 Internship II) or clinical supervision course (COU 7583 Supervision of Counseling and COU 7593 Practicum in Counseling Supervision) to progress in the clinical course sequence.

Students must complete the general doctoral core and research courses except internship, before taking their doctoral qualifying examinations (see Counseling Doctoral Program Handbook for additional details and procedures). Before beginning the doctoral dissertation or data collection, students must successfully complete their doctoral qualifying exam, secure UTSA Institutional Review Board approval, complete all University, College, and Department requirements, and receive dissertation chair approval.

A minimum of a 3.0 grade point average and a successful dissertation defense are required for graduation.

**Graduate Certificate in Bilingual Counseling**

The 12-hour Graduate Certificate in Bilingual Counseling (CBC) is designed to meet the needs of students interested in developing foundational skills in bilingual counseling with an emphasis on Spanish. The Certificate in Bilingual Counseling (CBC) is offered through the Department of Counseling (COU) with support from the Department of Bicultural-Bilingual Studies (BBL). The certificate is designed to meet growing PK-12 school and community needs.

**Admission Requirements**

Admission to the M.Ed. in School Counseling, the M.S. in Clinical Mental Health Counseling, or the Ph.D. in Counselor Education and Supervision.

Attainment of Level 2 or Level 3 on a Department of Bicultural-Bilingual Studies Spanish proficiency test, specifically developed for this program (students may be allowed to take BBL 5023 and COU 7283 before passing the language assessment at the discretion of the Education Specialist III with the Department of Bicultural-Bilingual Studies).

Additionally, the program will be open to non-degree seeking licensed professional counselors who would like to obtain the certification.

**Certificate Requirements**

Requirements for completion include:

- Completion of 12 graduate semester credit hours of approved UTSA coursework with a grade point average (GPA) of 3.0 or above.
- Completion of a language assessment.
- Successful completion of two recorded, transcribed, and analyzed counseling sessions in Spanish.

Requirements include successful completion of the following four courses:

**A. Counseling Required Courses:**

<table>

*Only counseling students who have passed required Language Proficiency exam may register for Counseling in Bilingual-Bicultural settings. This course is offered primarily in Spanish.

**Total Credit Hours**

Although coursework will be offered in English, students must have the ability to administer Spanish-language tests of language proficiency, academic achievement, and cognitive abilities. The attainment of a passing grade on the Spanish proficiency test pertains to this requirement.

**M.Ed. in School Counseling Students (48 hours + 12 additional hours)**

- These four courses (12 hours) will be taken in addition to the 48-hour degree plan.
- School districts have indicated school counseling applicants with these skills are highly desirable.

**M.S. in Clinical Mental Health Students (60 hours + 3 additional hours)**

- Three of the required courses can be substituted for required electives in the program.
- Thus, students would only need to take one course in addition to the required 60 hours for a total of 63 hours.

**Doctoral Students in Counselor Education and Supervision (no additional hours)**

- Two of the certification courses are already required (COU 7283 and COU 7383).
- Students will only need to incorporate BBL 5023 and BBL 6033 into their degree plans to be considered for the certificate.
- These courses can be used for two of the three required doctoral elective courses.

**Counseling (COU) Courses**

COU 5103. Introduction to School Counseling. (3-0) 3 Credit Hours.
Orients students to UTSA's Counseling Program, the school counseling profession, and the roles of professional school counselors. Investigates the legal and ethical aspects of school counseling. Examines planning, designing, implementing, and evaluating a comprehensive and developmental guidance and counseling program that includes students, teachers, administrators, parents, and community members. Examines state and national counseling program models and required competencies.
COU 5113. Ethical, Legal, and Professional Issues in Counseling. (3-0) 3 Credit Hours.
Explores philosophical precepts on which counseling interventions are based. Examines ethical and legal standards related to professional practice and the impact of personal values on the counseling process.

COU 5203. Introduction to Clinical Mental Health Counseling. (3-0) 3 Credit Hours.
Provides an overview of the counseling profession. Explores ethical and diversity issues of school and community counselors. Provides an orientation to the counseling program, information about professional credentials, and job roles. Requires observational experience.

COU 5213. Counseling Theories. (3-0) 3 Credit Hours.
Major counseling theories and techniques are presented. Students investigate affective, behavioral, relational, and cognitive psychotherapeutic strategies.

COU 5223. Clinical Assessment and Appraisal Strategies for Counselors. (3-0) 3 Credit Hours.
Prerequisite: COU 5243. Introduction to measurement theory, assessment strategies, and individual- and group-administered techniques, including standardized tests. Emphasis on analysis and interpretation of assessment results for case conceptualization and treatment planning. (Formerly titled “Psychological Assessment for Counselors”).

COU 5233. Group Theory and Process. (3-0) 3 Credit Hours.
Prerequisites: COU 5103 or COU 5203, and COU 5213. A study of small group theory, research, and procedures. Explores group membership and leadership behavior. Students are required to participate as a member of a small group in this course.

COU 5243. Diagnosis in Counseling. (3-0) 3 Credit Hours.
Prerequisites: COU 5103 or COU 5203, and COU 5213. Review of Diagnostic and Statistical Manual criteria for mental, behavioral and emotional disorders with case conceptualization emphasizing context, diversity, and relational development. COU 5253. Child and Adolescent Counseling in a Systemic Context. (3-0) 3 Credit Hours.
Prerequisites: COU 5103 or COU 5203, and COU 5213. The emotional and behavioral experiences of childhood and adolescence are discussed within the context of the school and family. Counseling strategies are presented for fostering wellness; teaching parenting skills; responding to crises, disasters and other trauma-causing events; helping students both identify strengths and cope with environmental and developmental problems. Requires casework.

COU 5283. Counseling in a Multicultural Setting. (3-0) 3 Credit Hours.
Prerequisites: COU 5103 or COU 5203, and COU 5213. A study of major issues of cross-cultural counseling. The impact of diversity (within and between group differences) is examined.

COU 5393. Development of Counseling Skills. (3-0) 3 Credit Hours.
Prerequisites: COU 5103 or COU 5203, and COU 5213. As the foundational course in the department’s sequence of experiential clinical courses, Development of Counseling Skills offers students the opportunity to master basic skills of professional counseling.

COU 5613. Biopsychosocial Aspects of Addiction Counseling. (3-0) 3 Credit Hours.
Prerequisite: COU 5203. This course examines common drugs of abuse, process addictions, and the etiology, course, and progression of addictive disorders. Students learn to diagnose and conceptualize addiction from contextual, systemic, relational, and holistic perspectives. Reviews evidence-based and innovative approaches used in addiction treatment. (Formerly titled “Substance Abuse and Chemical Dependency Counseling”).

COU 5683. Practicum in Counseling. (0-0) 3 Credit Hours.
Prerequisites: COU 5103 or COU 5203, COU 5213, COU 5233, COU 5283, and COU 5393. Students must submit an application, verifying prerequisite course completion, the semester before enrolling into Practicum in Counseling. As the second course in the department’s clinical training sequence, Practicum in Counseling provides students with an initial opportunity to transition knowledge and skills gained in prior coursework into professional practice settings.

COU 5713. Clinical Mental Health Counseling Internship I. (0-0) 3 Credit Hours.
Prerequisites: COU 5223, COU 5243, COU 5683, and EDP 5033. Students must submit an application, verifying prerequisite course completion, the semester before enrolling into Clinical Mental Health Counseling Internship I. As the third course in the clinical training sequence, Internship I reflects the comprehensive work experience of a professional counselor in community settings. Students are expected to continue demonstration of skills acquired during the Practicum in Counseling.

COU 5723. Clinical Mental Health Counseling Internship II. (0-0) 3 Credit Hours.
Prerequisite: COU 5713. Students must submit an application, verifying prerequisite course completion, the semester before enrolling into Clinical Mental Health Counseling Internship II. Internship II is the final course of the clinical training sequence. Extensive supervised fieldwork in a UTSA-approved community counseling setting. This course is part of a sequential learning experience intended to expand upon the skills and knowledge gained in Internship I.

COU 5793. School Counseling Internship I. (0-0) 3 Credit Hours.
Prerequisites: COU 5253 and COU 5683. Students must submit an application, verifying prerequisite course completion, the semester before enrolling into School Counseling Internship I. As the third course in the clinical training sequence, Internship I reflects the comprehensive work experience of a professional counselor in school settings. Students are expected to continue demonstration of skills acquired during the Practicum in Counseling.

COU 5803. School Counseling Internship II. (0-0) 3 Credit Hours.
Prerequisite: COU 5793. Students must submit an application, verifying prerequisite course completion, the semester before enrolling into School Counseling Internship II. As the fourth course in the clinical training sequence, Internship II reflects the comprehensive work experience of a professional counselor in school settings. Students are expected to continue demonstration of skills acquired during the School Counseling Internship I.
COU 5813. School Counseling Internship III. (0-0) 3 Credit Hours.  
Prerequisite: COU 5803. Students must submit an application, verifying prerequisite course completion, the semester before enrolling into School Counseling Internship III. As the fifth course in the clinical training sequence, Internship III reflects the comprehensive work experience of a professional counselor in school settings. Students are expected to continue demonstration of skills acquired during the School Counseling Internship II.

COU 6003. Consultation and Program Evaluation. (3-0) 3 Credit Hours.  
Prerequisites: COU 5103 or COU 5203, and COU 5213. Provides a framework for understanding and practicing consultation in a school and/or community setting. Students examine the historical development, major models, and ethical and legal issues related to consultation. Students develop a personal model of consultation and apply theoretical material to case presentations. (May be taken concurrently with COU 5793 School Counseling Internship I).

COU 6013. The Role of Sport in Society. (3-0) 3 Credit Hours.  
Examination of sport and physical activity, sport's impact on society, and the affective roles sport takes as part of our social structure and the institution of education. (Same as KAH 6013. Credit cannot be earned for both COU 6013 and KAH 6013).

COU 6033. Sport Psychology. (3-0) 3 Credit Hours.  
A study of cognition and behaviors related to the participation in sport. This course will have a theoretical focus and will include topics such as self-efficacy, performance enhancement, cohesion, arousal and anxiety. Contemporary research will be discussed. (Same as KAH 6033. Credit cannot be earned for both COU 6033 and KAH 6033).

COU 6043. Applied Sport Psychology. (3-0) 3 Credit Hours.  
Prerequisite: COU 6033. This course will provide a practical and comprehensive introduction to somatic, cognitive and behavioral interventions used in athletics to improve performance. Theoretical bases of psychological stress and performance will be explored and appropriate interventions discussed. Research findings related to athletics will be applied. (Same as KAH 6043. Credit cannot be earned for both COU 6043 and KAH 6043).

COU 6153. Career Development and Choice. (3-0) 3 Credit Hours.  
A study of theories of occupational choice and career development and their application to the guidance and counseling process. Identification and utilization of various types of occupational information and resources in counseling interviews and guidance programs.

COU 6203. Psychological Perspectives of Motor Learning and Control. (3-0) 3 Credit Hours.  
Study of the individual processes of skill acquisition, including the involvement of transfer, timing, feedback, practice, and retention as well as the processes of central and peripheral mechanisms involved in implementing physical and perceptual skills. (Same as KAH 6203. Credit cannot be earned for both COU 6203 and KAH 6203).

COU 6323. Advanced Psychological Assessment. (3-0) 3 Credit Hours.  
Prerequisite: COU 5223. Theory and application of specific instruments and techniques, including administration and scoring. Emphasis on analysis, interpretation, and integration of ability, achievement, and personality assessment results for diagnostics as well as treatment planning. Casework is required.

COU 6523. Couple and Family Counseling Theories. (3-0) 3 Credit Hours.  
Prerequisites: COU 5203 and COU 5213. This course examines the history of family therapy, major family counseling theories, and significant marriage and family theorists.

COU 6533. Mental Health and Addiction Issues in Couple and Family Counseling. (3-0) 3 Credit Hours.  
Prerequisite: COU 6523. This course addresses current pressing topics within the marriage and family counseling literature. These topics may range from family, couple, and child assessment, contemporary or changing treatment interventions, and legal and ethical issues faced by counselors in marriage and family practitioners.

COU 6543. Intermediate Skills in Couple and Family Counseling. (3-0) 3 Credit Hours.  
Prerequisite: COU 6523. This course provides a clinical marriage and family practice component. It is a skills development course that provides an opportunity for students to become proficient in specific marriage and family related clinical practices.

COU 6553. Assessment and Treatment in Couple and Family Counseling. (3-0) 3 Credit Hours.  
Prerequisite: COU 6523. This course provides an overview of common assessment and treatment strategies for counselors working with couples and families. This course will also explore creative and innovative strategies for working with couples and families.

COU 6613. Addicted Families, Violence, and Life-Threatening Behaviors. (3-0) 3 Credit Hours.  
Prerequisites: COU 5613 and COU 6523. This course explores the intertwined comorbidity of family addictions, violence, and life-threatening behaviors (e.g., suicide, child abuse, domestic violence, etc.) and provides an opportunity for students to obtain the basic knowledge and practice skills to provide thorough counseling practices to families presenting with this “triple threat”.

COU 6723. Counseling for Advocacy and Social Justice. (3-0) 3 Credit Hours.  
Prerequisite: COU 5283. Examination of the role of social responsibility within the counseling profession. Focuses on the exploration and application of social change strategies on behalf of diverse clients in communities and schools.

COU 6733. Health Care Counseling and Diverse Cultures. (3-0) 3 Credit Hours.  
Prerequisite: COU 5283. Students will explore the historical context of the relationship between the U.S. government and health care disparities among racial and ethnic minorities. Students will examine how families and cultural competencies can be incorporated into the health counseling process.

COU 6773. Introduction to Neurofeedback. (3-0) 3 Credit Hours.  
The course is an introduction to neurofeedback, a form of biofeedback used to help individuals regulate brainwave patterns (via electroencephalogram readings). Course content covers an overview of neurofeedback, history of the field, principles of learning, concepts of biofeedback, basic neurophysiology and neuroanatomy, basic instrumentation and electronics, research, psychopharmacological considerations, treatment planning, and professional conduct. This course is designed to meet the criteria of the “Blueprint of Knowledge Statement for Board Certification in Neurofeedback” by the Biofeedback Certification International Alliance.
COU 6783. Advanced Neurofeedback. (3-0) 3 Credit Hours.
This is an advanced neurofeedback course that covers advanced topics in neuroanatomy, clinical assessment, and treatment planning using neurofeedback. Students will demonstrate skills in administering and interpreting clinical neurofeedback protocols. Case studies will be used to prepare students for their practicum in neurofeedback.

COU 6793. Practicum in Neurofeedback. (3-0) 3 Credit Hours.
