The College of Sciences offers the following graduate degrees and certificate programs:

**Department of Biology**
- Master of Science in Biology
- Master of Science in Biotechnology
- Doctor of Philosophy in Cell and Molecular Biology
- Doctor of Philosophy in Neurobiology

**Department of Chemistry**
- Master of Science in Chemistry
- Doctor of Philosophy in Chemistry

**Department of Computer Science**
- Master of Science in Computer Science
- Doctor of Philosophy in Computer Science

**Department of Environmental Science and Ecology**
- Master of Science in Environmental Science
- Doctor of Philosophy in Environmental Science and Engineering
- Graduate Certificate in Environmental Science
- Graduate Certificate in Environmental Sustainability

**Department of Geological Sciences**
- Master of Science in Geology
- Master of Science in Geoinformatics
- Certificate of Professional Development in Geographic Information Science

**Department of Mathematics**
- Master of Science in Applied Mathematics-Industrial Mathematics
- Master of Science in Mathematics
- Master of Science in Mathematics Education

**Department of Physics and Astronomy**
- Master of Science in Physics
- Doctor of Philosophy in Physics
