International Undergraduate Student Admission

Definition
Applications from individuals who plan to enroll while residing in the United States on a non-immigrant visa are processed as international students. International students can apply by submitting the International Student ApplyTexas Application (https://www.applytexas.org/adappc/gen/ c_start.WBX) (electronic version).

All international students, including first-time freshmen and transfer students, must:

1. Prove proficiency in the English language by taking either the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS) examination. English as a Second Language courses will be required for those students who need additional language training. Passing the TOEFL or IELTS does not guarantee admission to UTSA.
