University Center

The University Center (UC), located on UTSA’s Main Campus, is the focal point for services, programs, meetings, dining, and relaxation for students, faculty, staff, and University guests.

The UC is the primary facility on campus for hosting events and meetings, which include weekly student organization meetings, banquets, political debates, entertainment events, workshops and conferences, dances, pageants, and even weddings!

Several departments are housed in the UC, including the Office of Student Activities, the Student Leadership Center, the Student Center for Community Engagement and Inclusion, Career Services, Roadrunner Productions, the Student Government Association, Volunteer Organization Involving Community Education and Service (VOICES), Honors Alliance, Fraternity and Sorority Life, University Center Programs, the Office of Student Life, Student Conduct and Community Standards, Events Management & Conference Services (EMCS), the Special Events Center, and UC Administration. The Student Activities and Student Organization complexes provide cubicles for student organizations.
