In compliance with the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act," codified as 20 U.S.C. 1092 (f) as part of the Higher Education Act of 1965, the Annual Security and Fire Safety Report (<https://www.utsa.edu/compliance-and-risk-services/documents/AnnualSecurityandFireSafetyReport.pdf>) is prepared and published by October 1st of each year by the Clery Compliance Coordinator. The contents of this report are assembled in cooperation with the Office of Student Affairs, University Housing, Student Conduct and Community Standards, Counseling Services, Fire and Life Safety Division, Title IX, and other UTSA departments. Each entity provides updated information on policies and educational efforts, and programs to comply with the Act.

The Annual Security and Fire Safety Report contains statistical information for the previous three years of incidents occurring on all UTSA geography as defined by the Clery Act and fires occurring within on-campus housing. Crime statistics are provided by the UTSA Department of Public Safety, other police agencies, and campus security authorities.

The annual report contains certain policy statements, information regarding timely warnings and emergency notifications, missing student notification policy, on-campus housing fire safety policies, and a statement advising the campus community where to locate information concerning registered sex offender information.

The report is available to all current and prospective students and employees through the UTSA Clery Compliance website (<https://www.utsa.edu/compliance-and-risk-services/clery/>). Missing Students Who Reside In On-Campus Housing

If any person has reason to believe that a student is missing, they should immediately notify the UTSA Department of Public Safety at (210-458-4911). Missing students who reside in on-campus housing (Alvarez Hall, Chaparral Village, Chisholm Hall, Guadalupe Hall, and Laurel Village) may also be reported to the Director and/or Associate Director for UTSA Housing and Residence Life (210-458-6200) and they will immediately notify the UTSA Department of Public Safety. Depending on jurisdictional issues, the UTSA Department of Public Safety will generate a missing person report, initiate an investigation and/or assist outside law enforcement agencies in the furtherance of a missing person investigation by sharing relevant investigative information.

Prior to moving into on-campus housing, all students have the option of designating someone as their "Missing Person" contact. This designation is confidential and can be the same as or different than the person designated as the student's "emergency" contact. UTSA Department of Public Safety shall notify the Missing Person contact within 24 hours of its determination that a student is missing. If the missing student is under the age of 18 and is not an emancipated individual, UTSA Department of Public Safety will also notify the student's parent or legal guardian. The confidential contact information is restricted and will only be used by authorized campus officials and/or law enforcement in the furtherance of a missing person investigation as well as appropriate campus officials and/or law enforcement as necessary in compliance with all applicable privacy laws. Students who wish to identify and select a confidential "Missing Person" contact can do so through their respective on-campus housing management.
