EXEMPTION FROM TUITION, FEES, AND CHARGES

The statutes of the State of Texas prescribe certain cases in which students can be exempt from tuition and/or certain fees and charges. The various types of exemptions, the fees and charges to which such exemptions apply, required documentation, and the appropriate office to submit documentation are described below and can be found at http://collegeforalltexas.com. However, in each case it is the student’s responsibility to initiate the action of applying for an exemption and providing satisfactory evidence that all conditions required for the exemption have been met. Until such time as the exemption is granted, a student will be required to pay all tuition, fees, and charges from his or her own funds.

Students who might be eligible for an exemption should apply for the exemption at least one month before registration for the semester in which they plan to use the exemption provision. (Applications for the Good Neighbor Scholarship are accepted in the Office of Student Financial Aid (https://onestop.utsa.edu/scholarships) in January and February before the academic year in which students plan to attend UTSA.) Note that Required Fees and Charges consist of the following: supplementary, laboratory, Student Services Fee, Athletic Fee, Student Union Fee, Medical Services Fee, Recreation Center Fee, Library Resources Charge, University Publication Charge, International Education Fee, Automated Services Charge, ID Card Fee, Teaching and Learning Center Support Charge, Student Data Management Fee, Transportation Fee, Advising Fee and class-related.

In order to continue to qualify for many of the tuition and/or fee exemptions or waivers a student must maintain a grade point average for making satisfactory academic progress (http://catalog.utsa.edu/policies/tuitionfees/financialaidandscholarships) at UTSA and, if an undergraduate, not complete an excessive number of credit hours (Texas Education Code, Sections 54.2001 and 54.2002).
