Multidisciplinary Studies (MDS)

Multidisciplinary Studies (MDS) Courses

MDS 4983. Senior Seminar for Multidisciplinary Studies. (3-0) 3 Credit Hours.
Prerequisites: Declared major in Multidisciplinary Studies in semester of graduation and permission of the Multidisciplinary Studies Program Coordinator. The seminar surveys topics in ethics, reinforces writing and communication skills through oral and written presentations and discussions, demonstrates student's progress through a capstone portfolio, and culminates in a senior project approved by the instructor.
