

DEPARTMENT OF COUNSELING

The Department of Counseling offers the Master of Science in Clinical Mental Health Counseling, Master of Education in School Counseling, and the Doctor of Philosophy in Counselor Education and Supervision. The Department also offers Graduate Certificates in Bilingual Counseling and Integrated Behavioral Healthcare. The Department supports students seeking Certification in the State of Texas through the School Counseling Certification Program. Information on state licensure and/or certification in Clinical Mental Health Counseling is also available.

Criminal History Policy and Acknowledgement

The College of Education and Human Development (COEHD) prepares educators and professionals for fields which require fieldwork, internship, practicum, service-learning and/or clinical teaching. Placements occur in educational, clinical, health care facilities, hospitals, and/or medical settings which require a criminal background check. The University of Texas at San Antonio is required to inform students of the requirements set forth by the Texas Occupation Code, Chapter 53, Sections 53.001 through 53.105 (<https://statutes.capitol.texas.gov/Docs/OC/htm/OC.53.htm>).

All COEHD prospective students in a licensure or certification program are required to acknowledge that they have been made aware of these requirements and that they have read the COEHD Criminal History Policy. For more information and for completing the acknowledgement form, please visit the Office of Professional Preparation, Assessment, and Accreditation in the College of Education and Human Development.

Master of Science Degree in Clinical Mental Health Counseling

The Department of Counseling offers the 60 credit hour Master of Science (M.S.) degree in Clinical Mental Health Counseling. This clinical program emphasizes creativity, diversity, developmental and relational processes, ethics, and professional identity within Clinical Mental Health Counseling. Students may earn credit toward a state license and/or certification to practice in clinical settings (i.e., Licensed Professional Counselor, etc.). The Clinical Mental Health Counseling Program is currently accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

Program Admission Requirements

1. Application for admission is conducted through UTSA Graduate Admissions. Applicants must hold a 3.0 grade point average during the last 60 hours of their undergraduate studies to be eligible for admission to the counseling program. Due to competitive nature and limited space, applicants admitted into the program often exceed minimum requirements.
2. International students must have a minimum score of 100 on the TOEFL iBT or 7 on the IELTS.

3. Three Applicant Rating forms are required.
4. A two-page narrative statement is required.

Current requirements, forms, and instructions are available on the Graduate Admissions website (<https://future.utsa.edu/graduate/>). Interested persons should contact the Student Development Specialist for the Counseling program or check the website for more information.

Standards and Procedures

As part of meeting the program objectives set forth in the Department of Counseling Program Student Handbooks and UTSA Graduate Catalog, students are expected to conduct themselves in an ethical, responsible, and professional manner. This conduct is evaluated through the Fitness to Practice (FTP) policy as an element of students' academic performance. The purpose of the FTP review process is to regularly monitor students' professional and personal development (CACREP, 2009) to ensure that students demonstrate appropriate progress toward developing the necessary behaviors, attitudes, and professional competencies to practice as a counselor-in-training. Refer to the Department of Counseling's website for the Fitness to Practice (http://education.utsa.edu/counseling/fitness_to_practice/) policy.

Only two courses with the grade of "C" will be accepted toward this degree. Students must earn a grade of "B" or better in Development of Counseling Skills (COU 5393), and practicum and internship courses (COU 5683, COU 5713, and COU 5723). Students who earn a grade of "C" or lower in a clinical course must retake that course and earn a grade of "B" or better before progressing in the clinical course sequence.

A minimum of a 3.0 grade point average will be required for graduation. Students who obtain more than two grades of "C" will be placed on academic probation and may be required to complete appropriate remedial work.

Students on academic probation or not in good academic standing cannot enroll in practicum or internship and are ineligible to participate in the comprehensive portfolio.

Master of Education Degree in School Counseling

The Department of Counseling offers the Master of Education (M.Ed.) degree in School Counseling. The M.Ed. in School Counseling program prepares students with professional competencies necessary to organize, implement, and evaluate a comprehensive school counseling program in a K–12 school setting.

School Counseling Certification Program

Students interested in seeking employment as a professional school counselor in a Texas public school must apply to the UTSA School Counseling Certification Program (SCCP). For information on the SCCP application process, visit the Department of Counseling website (http://education.utsa.edu/counseling/m.a._in_school_counseling/) or contact the Department of Counseling Student Development Specialist's office for the required process, timeline, and forms.

Additionally, students wishing to be employed as Texas professional school counselors must successfully meet all other State certification requirements.

Doctor of Philosophy Degree in Counselor Education and Supervision

The Ph.D. program in Counselor Education and Supervision is a full-time 48-semester credit hour program (admission requires a 60-credit master's degree in counseling from a CACREP accredited program, although applicants may be admitted with deficiencies). Applicants who did not graduate from a 60-credit CACREP-accredited master's degree program will be required to complete additional background

coursework up to the 60-credit requirement. Additional courses will be selected in consultation with the faculty advisor and will consist of courses that fulfill content areas required by CACREP that were not completed in the original master's degree program. Applicants who have 60-credit master's degrees from non-CACREP-accredited programs may be required to complete additional background courses if their master's degree coursework did not include all content areas required by CACREP. The program is intended to prepare professionals for careers in academic, clinical, research, supervisory, and consultation settings. This degree program is nationally accredited through the Council for Accreditation of Counseling and Related Educational Programs (CACREP (<https://www.cacrep.org/>)). Program graduates will have opportunities to acquire: (a) advanced theoretical knowledge, (b) advanced clinical skills, (c) university teaching skills, (d) research skills, (e) advanced clinical supervision skills, and (f) leadership and advocacy skills. Students are expected to formulate their own philosophy and approach to counselor education and supervision. Multicultural and social justice competencies are emphasized throughout the program.

The Doctoral program objectives include opportunities for:

- Research
- Scholarly writing and publishing
- Clinical supervision with practicum students
- Supervised co-teaching experiences
- Advanced clinical competencies
- Advanced multicultural and social justice competencies
- Leadership and advocacy

For more information and for completing the acknowledgement from, please visit the Office of Professional Preparation, Assessment, and Accreditation in the College of Education and Human Development.

Program Admission Requirements

Admission to the program is limited and competitive. Meeting the minimum admission requirements does not guarantee acceptance into the program. Competitive applicants usually exceed minimum requirements.

1. A master's degree in counseling from a Council for Accreditation of Counseling and Related Educational Programs (CACREP) approved program requiring a minimum of 60 semester credit hours. Students with fewer than 60 semester credit hours and/or from a non-CACREP accredited program may be considered for admission to the program with conditional status, pending completion of the deficient hours and satisfactory completion of courses fulfilling CACREP core course requirements.
2. A minimum grade point average of 3.0 in master's level courses in counseling or a closely related mental health field.

3. A portfolio consisting of the following items, which will be evaluated by the Doctoral Program Committee:
 - a. A 60-hour (or greater) master's degree transcript documenting a grade point average of 3.0 or better in counseling or an approved related mental health field (conditional admission may be available for students not meeting this criterion).
 - b. International students must have a minimum score of 100 on the TOEFL iBT or 7 on the IELTS.
 - c. Two letters of recommendation attesting to the student's academic and personal attributes for success in the program and potential for contributing substantially to a field of study related to the degree.
 - d. A written personal statement/essay describing research interests and purpose for pursuing the Ph.D. in Counselor Education and Supervision.
 - e. Graduate Record Examination (GRE) test scores not older than five years.
 - f. Documented experience in a work environment (formal positions or internships) where counseling was the primary professional emphasis (may include but is not limited to one-on-one counseling, counseling for couples, psychological assessment and testing, group or community counseling).
 - g. Professional résumé listing prior experiences in the field of counseling.
4. Successful completion of a finalist interview and rank order selection by the departmental faculty.

Degree Requirements

Students pursuing the Ph.D. in Counselor Education and Supervision will be required to pass a qualifying examination prior to admission to candidacy. All candidates will be required to submit a scholarly contribution in the form of a dissertation as partial fulfillment of requirements for this Doctorate (see Dissertation handbook). All students will be evaluated by the fitness to practice policy of the department (see Doctoral Student handbook).

- Graduate Certificate in Integrated Behavioral Healthcare (p. 5)

Graduate Certificate in Bilingual Counseling

The 12-hour Graduate Certificate in Bilingual Counseling (BCC) is designed to meet the needs of students interested in developing foundational skills in bilingual counseling in Spanish. The Bilingual Counseling Certificate (BCC) is offered through the Department of Counseling (COU) with support from the Department of Bicultural-Bilingual Studies (BBL). The certificate is designed to meet growing PK-12 school and community needs.

Admission Requirements

Students interested in pursuing the Graduate Certificate in Bilingual Counseling must first:

- Be admitted to the M.Ed. in School Counseling, the M.S. in Clinical Mental Health Counseling, or the Ph.D. in Counselor Education and Supervision, or related fields. Additionally, the program is open to non-degree seeking licensed professional counselors, certified school counselors, and licensed professionals from the field.
- Attain Level 2 or Level 3 on a Department of Bicultural-Bilingual Studies Spanish proficiency test, specifically developed for this program (students may be allowed to take BBL 5023 and COU 7283

before passing the language assessment at the discretion of the Department of Bicultural-Bilingual Studies).

Certificate Requirements

Requirements for completion include:

- Completion of 12 graduate semester credit hours of approved UTSA coursework with a grade point average (GPA) of 3.0 or above.
- Completion of a language assessment.
- Successful completion of program specific clinical and supervision elements.

Requirements include successful completion of the following four courses:

| Code | Title | Credit Hours |
|---|--|--------------|
| A. Counseling Required Courses: | | |
| COU 7283 | Advanced Multicultural Counseling (offered each summer semester) | 6 |
| And at least three hours (one semester) of a designated Spanish internship section | | |
| COU 5713 | Clinical Mental Health Counseling Internship I | |
| COU 5723 | Clinical Mental Health Counseling Internship II | |
| COU 5793 | School Counseling Internship I | |
| COU 5803 | School Counseling Internship II | |
| COU 5813 | School Counseling Internship III | |
| COU 7413 | Internship I | |
| COU 7513 | Internship II | |
| B. Bicultural Bilingual Required Courses: | | |
| BBL 5023 | Cultural Theories in Global Context (offered each fall semester) | 6 |
| BBL 6033 | Topics in Bicultural Studies (offered each spring semester) | |
| When Topic focuses on Counseling, contact advisor before registering. Only students who have passed the required Language Proficiency exam may register for BBL 6033 and the Spanish Internship section. This course is offered primarily in Spanish. | | |
| Total Credit Hours | | 12 |

Students must be able to pass a Spanish language proficiency test demonstrating proficiency in listening and reading comprehension, speaking ability, and writing.

M.Ed. in School Counseling Students (48 hours + 9 additional hours)

- BBL 5023, BBL 6033, and COU 7283 (9 hours) will be taken in addition to the 48-hour degree plan.
- The clinical elements are integrated into an existing internship course.

M.S. in Clinical Mental Health Students (60 hours + 3 additional hours)

- BBL 5023, BBL 6033, and COU 7283 can be substituted for the three required electives in the program.
- The clinical elements are integrated into an existing internship course.
- Thus, students would only need to take one course in addition to the required 60 hours for a total of 63 hours.

Doctoral Students in Counselor Education and Supervision (no additional hours)

- One of the certification courses is already required (COU 7283).
- The clinical elements are integrated into an existing internship course.
- Students will only need to incorporate BBL 5023 and BBL 6033 into their degree plans to be considered for the certificate.

Graduate Certificate in Integrated Behavioral Healthcare

The 12-hour Graduate Certificate in Integrated Behavioral Healthcare (IBHC) is designed to provide students with specialized coursework and training to work in integrated practice settings (i.e. medical, community, school). This certificate builds on existing partnerships and coursework offered within the Department of Counseling. The certificate is designed to meet growing community healthcare needs.

Admission Requirements

All students will be required to be formally admitted to one of the three degree programs in the Department of Counseling (M.S. in Clinical Mental Health Counseling, M.Ed. in School Counseling, Ph.D. in Counselor Education and Supervision).

Certificate Requirements

Requirements include successful completion of the following four courses:

| Code | Title | Credit Hours |
|--|--|--------------|
| A. Required Integrated Behavioral Health Courses: | | |
| COU 6973 | Special Issues (IBHC-I: Integrated Behavioral Health in Primary Care) | 6 |
| COU 6973 | Special Issues (IBH-II: Integrated Behavioral Health Interventions) | |
| B. Required Internship Courses | | |
| COU 5713 | Clinical Mental Health Counseling Internship I (repeated for a total of 6 hours at an approved IBH field site) | 6 |
| Total Credit Hours | | 12 |

M.Ed. in School Counseling Students (48 hrs + 12 additional hours)

These four courses (12 hours) will be taken in addition to the 48-hour degree plan.

M.S. in Clinical Mental Health Students (60 hrs)

Two of the required courses will serve as required electives in the program, and the internship courses will meet the need for the required program internships at approved internship sites.

Doctoral Students in Counselor Education and Supervision (48 hrs + 6 additional hours)

COU 6973 Special Issues IBHC-I: Integrated Behavioral Health in Primary Care and COU 6973 Special Issues IBH-II: Integrated Behavioral Health Interventions will need to be taken in addition to the 48-hour degree plan. With consent of the instructor, students may substitute COU 7413 Internship I and COU 7513 Internship II for COU 5713 Clinical Mental Health Counseling Internship I (repeated for a total of 6 hours).
