DEPARTMENT OF CRIMINOLOGY AND CRIMINAL JUSTICE

Mission Statement
Our mission is to provide criminology and criminal justice education, research, and service to students, practitioners, policymakers, and the community by creating an intellectually challenging environment that promotes collegiality and instills the highest level of ethical standards in the pursuit of informed policy and practice.

The Department of Criminology and Criminal Justice offers a Master of Science degree in Criminology and Criminal Justice.

Master of Science Degree in Criminology and Criminal Justice
The Master of Science (M.S.) degree in Criminology and Criminal Justice is designed to provide students with competency in research, policy planning, evaluation, agency management, and preparation for continued graduate study in criminology and criminal justice. The program assists students to develop and apply research expertise toward the resolution of contemporary practice and policy issues.

Program Admission Requirements
To qualify for unconditional admission, applicants must satisfy University-wide graduate admission requirements and submit:

- An online application
- All official transcripts for undergraduate and graduate coursework
- Two letters of recommendation
- A résumé
- A personal statement

An applicant admitted unconditionally as a degree-seeking student must possess a baccalaureate degree from an accredited university or equivalent training at a foreign institution; have a minimum grade point average of 3.0 or better in undergraduate work and 3.0 in any graduate coursework; have 18 hours in criminal justice, criminology, or a closely-related discipline, or professional experience in the justice system; be in good standing at the last institution attended; receive the recommendation of the Criminology and Criminal Justice Graduate Program Committee, which reviews applications. Students who do not meet these criteria may be admitted conditionally or on probation as non-degree-seeking, depending on the nature of the deficiency. Admission as a special graduate student may be considered by the Graduate Program Committee upon request of the applicant.

Degree Requirements
The minimum number of semester credit hours required for the degree, exclusive of other study to remove deficiencies, is 36. Degree candidates must complete the following three requirements:

2. Up to 6 semester credit hours of electives may be taken outside of the discipline in related UTSA graduate programs with approval of the Graduate Advisor of Record (GAR).

C. 6 semester credit hours consisting of one of the following options. 6

1. Non-Thesis Option (Written Comprehensive Examination): Students who select the non-thesis option are required to take the written comprehensive examination and complete two additional electives (6 hours). It is required that one of these additional electives be CRJ 6383 Capstone Course. CRJ 6383 Capstone Course is graded as Credit/Non-Credit. This course provides a review of the five core courses from which all exam questions will be drawn. CRJ 6383 Capstone Course will operate as a stand-alone course. A student must complete this course to satisfy the requirements of the degree, but the student can also receive credit for this course without successfully completing the comprehensive exam. In the event that a student does not pass all sections of the comprehensive exam, the student must re-take the failed section(s) of the comprehensive exam. Students have one calendar year from their initial attempt to successfully pass the failed sections of the comprehensive exam. Students will be dismissed from the program after two unsuccessful attempts to pass the comprehensive exam. Students do not need to re-enroll in CRJ 6383 to re-take the comprehensive exam. Students not enrolled in any other courses are required to enroll in 1 credit hour of CRJ 6961 Comprehensive Examination in the subsequent semester in which the student wishes to re-take the comprehensive exam.
