

DEPARTMENT OF SOCIAL WORK

The Department of Social Work offers the Master of Social Work (MSW) degree, educating students for transformative, culturally competent practice with diverse populations within a local-global context.

Master of Social Work

The Master of Social Work (M.S.W.) degree prepares students for advanced social work practice. Graduates work in professional positions serving diverse individuals, families, groups, organizations, and communities. Students graduating from the program will demonstrate a commitment to cultural competence, multidimensional contextual practice, social responsibility, and transformative social work. The UTSA M.S.W. program is fully accredited by the Council on Social Work Education (CSWE). Applicants with misdemeanor or felony charges or convictions may have difficulty being accepted by an agency to complete their field practicum, obtaining a social work license, and/or gaining employment as a social worker in some settings. See the Texas State Board of Social Work Examiners website (<https://www.bhec.texas.gov/texas-state-board-of-social-worker-examiners/applying-for-a-license/>) for additional information.

The Master of Social Work degree program consists of two program tracks:

- 36-hour program: Applicants for this program must have a bachelor's degree in social work (B.S.W.) awarded from a CSWE-accredited program or have successfully completed a minimum of 24 graduate semester credit hours in a CSWE-accredited M.S.W. program. The minimum number of semester credit hours required for the degree, exclusive of coursework or other study required to remove deficiencies or to complete additional degree requirements not transferred, is 36 graduate credit hours.
- 60-hour program: Applicants for this program must have a bachelor's degree. The minimum number of semester credit hours required for the degree, exclusive of coursework or other study required to remove deficiencies, is 60 graduate credit hours.

The minimum number of semester credit hours required for the 60-hour program track is 60 semester credit hours. Course deficiencies may require additional coursework.

60-Hour Program Admission Requirements

In addition to University-wide requirements and program admission requirements (see above), applicants must have completed an undergraduate degree in something other than social work.

For admission to the 60-hour program, additional requirements include:

- A cumulative grade point average of at least 3.0 (on a 4.0 scale) in the last 60 semester credit hours of undergraduate and graduate-level coursework previously completed.

Classification and Academic Standing Requirements

Students with a cumulative grade point average (GPA) under 3.0 (on a 4.0 scale) may apply for probationary admission status by directly addressing GPA as part of their narrative statement. Students admitted as conditional or probationary students must satisfy specified conditions their first semester in the program for their admission status to be changed to that of an unconditional student. Admission as a special graduate student does not guarantee subsequent admission as a degree-seeking student; such students must reapply for degree-seeking status.
