DEPARTMENT OF SOCIAL WORK

The Department of Social Work offers the Master of Social Work (MSW) degree, educating students for transformative, culturally competent practice with diverse populations within a local-global context.

Master of Social Work

The Master of Social Work (MSW) degree prepares students for advanced social work practice. Graduates work in professional positions serving diverse individuals, families, groups, organizations, and communities. Students graduating from the program will demonstrate a commitment to cultural competence, multidimensional contextual practice, social responsibility, and transformative social work. The UTSA MSW program is fully accredited by the Council on Social Work Education (CSWE).

The Master of Social Work degree program consists of two program tracks:

- 36-hour program: Applicants for this program must have a bachelor's degree in social work (BSW) awarded from a CSWE-accredited program or have successfully completed a minimum of 24 graduate semester credit hours in a CSWE-accredited MSW program. The minimum number of semester credit hours required for the degree, exclusive of coursework or other study required to remove deficiencies or to complete additional degree requirements not transferred, is 36 graduate credit hours.
- 60-hour program: Applicants for this program must have a bachelor's degree. The minimum number of semester credit hours required for the degree, exclusive of coursework or other study required to remove deficiencies, is 60 graduate credit hours.

Program Admission Requirements

Applicants must satisfy University-wide graduate admission requirements.

Admission requirements for all students include:

1. A completed UTSA Graduate Admissions application.
2. Official transcripts from all colleges and universities attended.
3. A narrative statement addressing interest in and the fit with the UTSA MSW program not to exceed 1,250 words (approximately five pages). Statement must address required questions provided in the narrative statement guidelines.

The 36-hour program is designed for applicants who have graduated with a bachelor's degree in social work (BSW) from a CSWE-accredited program or have successfully completed a minimum of 24 graduate semester credit hours in a CSWE-accredited Master of Social Work program. The minimum number of semester credit hours required for this MSW program track is 36 semester credit hours. Course deficiencies and required UTSA courses for the degree not completed elsewhere, if a transfer student, may require additional coursework.

36-Hour Program Admission Requirements

In addition to University-wide requirements and program admission requirements (see above), applicants must have completed a BSW degree from a CSWE-accredited program within 5 years from the date of application or have successfully completed a minimum of 24 graduate semester credit hours in a CSWE-accredited Master of Social Work program. The time limit will extend up to 10 years for BSW graduates with a current social work license and with post-BSW practice experience.

For admission to the 36-hour program, additional requirements include:

60-Hour Social Work Program

The 60-hour social work program is designed for applicants who have undergraduate degrees in something other than social work. Non-BSW students must complete 24 semester credit hours of generalist courses and 36 hours of additional specialized coursework in the MSW program. The minimum number of semester credit hours required for the 60-hour program track is 60 semester credit hours. Course deficiencies may require additional coursework.

60-Hour Program Admission Requirements

In addition to University-wide requirements and program admission requirements (see above), applicants must have completed an undergraduate degree in something other than social work.

For admission to the 60-hour program, additional requirements include:
Classification and Academic Standing Requirements
Students with a cumulative grade point average (GPA) under 3.0 (on a 4.0 scale) may apply for probationary admission status by directly addressing GPA as part of their narrative statement. Students admitted as conditional or probationary must satisfy specified conditions their first semester in the program for their admission status to be changed to that of an unconditional student. Admission as a special graduate student does not guarantee subsequent admission as a degree-seeking student; such students must reapply for degree-seeking status.

Please refer to department website (http://copp.utsa.edu/social-work/) for further information.

Degree Requirements
36-Hour Program
The minimum number of semester credit hours required for the degree, exclusive of coursework or other study required to remove deficiencies, is 36 for the BSW (advanced standing) student, and 36 for the modified MSW degree option for transfer students from CSWE-accredited graduate social work programs.
