

DECLARATION OF PREVIOUS COLLEGE WORK ATTEMPTED

When applying for admission to UTSA, students are not at liberty to disregard previous college work attempted. All institutions from which any college-level work was attempted must be listed on the ApplyTexas, CommonApp or UTSA Online application at the time of application, starting with the current or most recent college attended. Furthermore, the application process requires that official academic transcripts from each previously attended institution be submitted to Undergraduate Admissions on or before the application deadline for the requested semester of enrollment. Failure to do so may result in the rejection of the application, withdrawal of any offer of acceptance, cancellation of enrollment, permanent dismissal from UTSA, or other appropriate disciplinary action.

While enrolled at UTSA, students who attend other institutions are required to submit official academic transcripts to Undergraduate Admissions from every institution attended at the end of the semester during which coursework was undertaken, even if courses have been withdrawn. This includes concurrent enrollment at other institutions while attending UTSA. Failure to do so may result in withdrawal of any offer of acceptance, cancellation of enrollment, permanent dismissal from UTSA, or other appropriate disciplinary action.
