STUDENT STUDY DAY

At the end of each Fall and Spring Semester, the day prior to the
beginning of the final examination period is designated as a Student
Study Day. Classes do not meet during a Student Study Day. Furthermore,
a Student Study Day is not to be used as a date on which papers are to
be turned in, examinations are to be given, quizzes are to be scheduled,
mandatory review sessions are to be held, or for any other class-related
activities, other than office hours. Voluntary review sessions at which no
new material is presented may be conducted by faculty on this day. There
is no Student Study Day during the Summer Semester.
