

CONCURRENT TUITION

Students who register concurrently at more than one public institution of higher education in Texas and pay more than the hourly tuition rate at the other institution due to minimum charges may receive the benefits of a lower tuition rate. If, at the time of registration, a student can produce evidence of having already paid his or her tuition at another public institution of higher education in Texas, the student should present such evidence to the Fiscal Services Office (<http://utsa.edu/fiscalservices/>) during registration.
