DEPARTMENT OF ANTHROPOLOGY

The Department of Anthropology offers a Bachelor of Arts (B.A.) degree in Anthropology and minors in Anthropology, Archaeological Practice, and American Indian Studies. Department Honors may also be earned in Anthropology.

Department Honors

The Department of Anthropology awards Department Honors to certain outstanding students and provides the opportunity for advanced study under close faculty supervision. Selection of students for honors designation is based on the student’s academic performance and recommendation by the faculty in the student’s major discipline. To be eligible for the program, students must have a minimum overall grade point average of 3.0 at UTSA and a minimum grade point average of 3.5 in their major at UTSA. The minimum grade point averages must be maintained for students to receive the approval of the Department Honors Committee and the discipline faculty. Students applying for Department Honors usually enroll in the appropriate honors thesis courses during their final two semesters, although other arrangements are possible with approval of the faculty advisor. The completed thesis must be approved by the supervising faculty sponsor and another departmental faculty member.

Students interested in this program should contact their faculty advisors for additional information.

Bachelor of Arts Degree in Anthropology

The minimum number of semester credit hours required for this degree, including Core Curriculum requirements, is 120. Thirty-nine of the total semester credit hours required for the degree must be at the upper-division level.

All candidates for this degree must fulfill the Core Curriculum requirements and the degree requirements, which are listed below.

As part of the College of Liberal and Fine Arts Signature Experience, which seeks to offer students opportunities to apply ideas and knowledge in real-world settings, the Department of Anthropology encourages students to take advantage of internships, independent studies, study abroad, research opportunities, and service learning as part of their undergraduate program of study. Internships are arranged through the Undergraduate Advisor of Record and are designed to provide students with experiences at a wide variety of institutions in the region, including the Department’s Center for Archaeological Research and the UTSA Institute of Texan Cultures. Independent studies are arranged in consultation with Anthropology faculty and may include research on areas not normally covered by organized coursework, work associated with a professor’s research, or a student’s independent research project. Faculty-led and other study abroad opportunities are organized by the Education Abroad Services office. Service learning is offered through the UTSA Student Activities Office and focuses on activities designed around civic engagements that address or meet community needs.

Students seeking the B.A. degree in Anthropology must complete the COLFA Second Language Experience. General requirements are listed on the College of Liberal and Fine Arts (http://catalog.utsa.edu/undergraduate/liberalfinearts/) page of this Undergraduate Catalog. B.A. in Anthropology students may also fulfill the requirement by:

- Completing the first three semesters of a second language or equivalent plus ANT 2063 Language, Thought, and Culture.

Core Curriculum Requirements (42 semester credit hours)

Students seeking the B.A. degree in Anthropology must fulfill University Core Curriculum requirements in the same manner as other students. The courses listed below satisfy both degree requirements and Core Curriculum requirements; however, if these courses are taken to satisfy both requirements, then students may need to take additional courses in order to meet the minimum number of semester credit hours required for this degree.

ANT 2033 may be used to help satisfy the Life and Physical Sciences component requirement. ANT 2043 or ANT 2053 will satisfy the Social and Behavioral Sciences component requirement. ANT 2063 may be used to satisfy the Language, Philosophy, and Culture component requirement. ANT 1013 is an elective course for the major in anthropology; it also will satisfy the Component Area Option of the Core Curriculum.
