3. UTSA ONLINE

UTSA is proud to offer fully online degree programs that provide a way for students to reach their educational goals without ever having to step foot on campus. UTSA Online (https://online.utsa.edu/) (formerly Online Programs) remains on a mission to serve our local and national community by offering the same quality degree programs as our residential campus.

Same degree. Same faculty. Same rigor.

Our 100% online (a.k.a. Option III, Online Programs) include:

- undergraduate degrees
- undergraduate certificates
- graduate degrees
- graduate certificates

These programs should not be confused with other internet-based courses provided by the residential campus, which are traditional classes offered remotely but not through UTSA Online. These programs are funded, priced, and supported differently than our 100% online programs.

Tuition, Fees, and Financial Aid Options

Whether our students are in-state or out-of-state, our 100% online students enjoy the same price per unit (https://online.utsa.edu/cost-aid/tuition-and-fees/), and students have numerous financial aid and payment options (https://online.utsa.edu/cost-aid/payment-options/) available.

Note: Students who are enrolled only in a certificate program are not eligible to use financial aid or Veteran's benefits.

Degree Requirements

Students enrolled in an online degree program will follow the same institutional requirements to complete a bachelor’s degree as defined in this catalog, which include:
